IMPORTANT GOVERNMENT ORDERS

LOCAL AND LEGISLATIVE SECRETARIAT.

Entrusting the Sanitary Inspectors with duties of other than a strictly sanitary nature.

- READ—
- Government Order No. 5113-63—San. 86-13-35, dated 8th February 1917, defining among others the duties of the Sanitary Inspectors of Districts and directing that Local Officers should abstain from employing them on other than strictly sanitary duties, except under the conditions and to the extent permitted by Rule 7 in Appendix B to the order.
 - Letter No. C. 82-2, dated 29th September 1923, from the Sanitary Commissioner in Mysore, forwarding in original letter No. H. C. 45—Rev. 23-24, dated 28th July 1923, from the Deputy Commissioner, Shimoga District, regarding the revision of the establishment of the Tirthahalli Municipal Council so as to provide among other matters for the abolition of the post of the Sanitary Maistry and the appointment in his stead of a Revenue and Sanitary Inspector and stating that the Sanitary Inspector must not be harnessed with any heavy extraneous duties.
 - Correspondence ending with letter No. H. C. 45—Rev. 23-24, dated 1st May 1924, from the Deputy Commissioner, Shimoga District, stating that owing to the very slender resources of the Municipal Council, it is not possible to create the appointment of a highly paid executive official for purely sanitation work and that as the town is a very small one and as there is already a bill collector, the work that will be entrusted to the Revenue and Sanitary Inspector, besides his sanitary duties, will be to supervise and control the collection staff and to attend to the execution of attachment warrants in a few instances.

ORDER No. L. 655-72—SAN. 9-24-2, DATED 26TH JULY 1924.

As the Sanitary Inspectors are paid wholly from local funds and as the sanitation work to be attended to by them in Municipalities and rural areas is not sufficient, Government are pleased to direct, in modification of previous orders on the subject, that the Presidents of the Municipal Councils and District and Taluk Boards may assign to them other duties of the Board, care being, however, taken to see that such duties do not interfere with their legitimate sanitary work.

2. Separate orders will issue regarding the revision of the establishment of the Firthahalli Municipal Council.
